Ochsner Receipt. How do we check on status for form and the other medical bill to be reimbursed?

Kristina Gabik Vitrano

Kris,

For the form, I can check the reimbursement status online once I know which account we used. Was that through my employer benefits or directly through the insurance portal?

For the other medical bill, if you send me a copy of the bill (and any EOB you have), I can submit it for reimbursement the same way and keep an eye on it.
